Product.

SMB Connector (2.5) ,straight Female for 1.5 C2V Cable

Prod No.

FC-CO-SMB-2.5-SF

Application and Properties:

SMB connectors use in connection of coaxial cable in range of radio frequency.

- Other Details

- Connector model: Huawei type, Pin Attached
- Input Cable size: 2.5 mm
- Relative small size allows uses in applications where space is limited
- Applicable in BTS and GPS systems

- Technical Specification

Temperature	-55°C +155°C
Relative Moisture	90 ~95 Temperature: 40±2
Impedance	75Ω
Withstand Voltage	1000V rms (at sea level)
Insulation resistance	≥ 5000 MΩ
VSWR	≤ 1.2
Frequency Rating	0 to 4 GHZ
