

Product.

SMB Connector, Right angel, Female, for 1.5C2V Cable

Prod No.

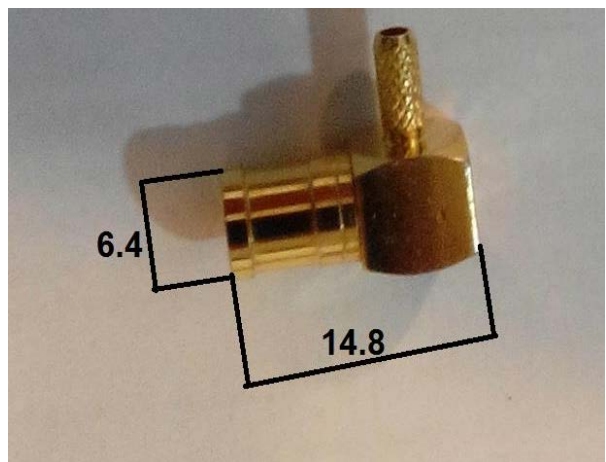

FC-CO-SMB-1.5-RAF

Application and Properties:

SMB connectors use in connection of coaxial cable in range of radio frequency.

- Other Details

- Connector model: Nokia type, Pin Attached
- Input Cable size: 1.5 mm
- Relative small size allows uses in applications where space is limited
- Applicable in BTS and GPS systems

- Technical Specification

Temperature	-40°C +85°C
Relative Moisture	90 ~95 Temperature: 40±2
Impedance	75Ω
Withstand Voltage	1000V rms (at sea level)
Insulation resistance	≥ 1000 MΩ
VSWR Straight	≤ 1.45
Frequency Rating	0 to 4 GHZ
Working Voltage	335 v max
